

The meeting came to order at 5:00pm

President Sawyer brought up the Love Rocks Valentine's fundraiser. Rebecca Loos also commented on the fundraiser.

- Over \$150 was raised for the club.
- Final financial report pending.

President Sawyer decided that since we had made sufficient money from the fundraiser, dues were no longer needed from members to cover the cost of food at meetings.

We then had a discussion on the spring break Big Bend trip with San Antonio College.

Another fundraising event was brought up; the members discussed what would be sold at the Spring Fling campus event.

- Food: Nachos
- Painted rocks

Discussion on concessions for the gem and mineral show in April was also brought up.

- Nachos
- Hamburgers and hotdogs
- Breakfast burritos
- Rice, beans and sausage

No final decisions on either fundraiser were made yet.

There was a small discussion on when the club polos would be ordered. We then decided that to order the shirts, club members would need to pay in advance to keep the club account from draining too quickly.

- \$25
- Minimum of 12 polos for order

The members also decided that creating coozies with the club logo on them would also be a good fundraising item.

- Quote requested
- Order 100 +

The meeting was adjourned at 5:38pm
